Development Control Regulations

~~Extension to time limit for sanctioning the~~
Development Control Regulations under
section 31 of the Maharashtra Regional &
Town Planning Act, 1966

NOTIFICATION

**Government of Maharashtra
Urban Development Department
Mantralaya Mumbai 400032
Dated : 4th February, 2007.**

Maharashtra Regional & Town Planning Act 1966.

No. TPS-3001/658/CR-74(A)/2001/UD-30 :- Whereas by Government Notification Urban Development Department No.TPS-3087/22/CR-1/PART-II/UD-12, dated 7-10-1991 issued under clause (b) of sub-section (1) of section 40 of the Maharashtra Regional and Town Planning Act 1966 (Mah Act No. XXXVII of 1966) (hereinafter referred to as "the said Act") the Government of Maharashtra has appointed The City and Industrial Development Corporation of Maharashtra Limited (hereinafter referred to as ("the said Corporation") to be the Special Planning Authority to undertake the planned and orderly Development of Notified Area designated as "Waluj Notified Area" (hereinafter referred to as "the said Notified Area");

And whereas the said Corporation, being the Special Planning Authority for the said Notified Area has submitted to the State Government under sub-section (1) of section 30 of the said Act, the Development Plan for Waluj Notified Area (hereinafter referred to as "the said Development Plan") on the 28th July of 1994 ;

And whereas in accordance with provisions of sub section (1) of section 31 of the said Act the said Development Plan is required to be sanctioned not later than one year from the date of receipt from the Planning Authority or within any such further period extended by the State Government in accordance with the proviso to the sub section (1) of section 31 of the said Act ;

And whereas the Government vide Urban Development Departments Notification No.TPS-3000/4484/CR-235(A)/2000/UD-30 dt.14th Aug. of 2001 published in the Maharashtra Government Gazette, Aurangabad Division dated the 13th September of 2001 on page Nos. 2056 to 2061, pending according sanction to the Development Control Regulations (herein after refereed to as the said Development Control Regulations), sanctioned the Draft Development Plan for the said Notified Area excluding modifications which are considered to be of substantial nature ;

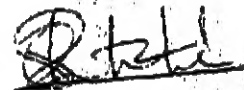

And whereas the Government vide Urban Development Departments Notice No. TPS-3000/4484/CR-235(B)/2000 UD-30 published in the Maharashtra Government Gazette Aurangabad Division dated 13th September of 2001 on page Nos. 2056 to 2061 has published the said excluded part of the draft Development Plan of Waluj Notified Area for inviting suggestions/objections from public under sub section (1) of section 31 of the said Act ;

And whereas the Government of Maharashtra had decided to extend the time limit for sanctioning the said excluded part and said Development Control Regulations, under sub section (1) of section 31 of the said Act up to and inclusive of the 14th August of 2001 vide Urban Development Departments Notification No TPS-3000/4484/CR-235/2000/UD-30 published in the Maharashtra Government Gazette, Aurangabad Division supplement dated the 13th September of 2001 on page Nos. 2056 to 2061,

And whereas the Government vide Urban Development Departments Notification No.TPS-3000/4484/CR-258/2001/UD-30 dt.23th July of 2002 published in the Maharashtra Government Gazette, Aurangabad Division dated 29th August-2002 on page Nos.2005 to 2015 has sanctioned the excluded part of the Draft Development Plan of Waluj Notified Area, pending sanction to the said Development Control Regulations.

Now therefore in exercise of the powers conferred under the proviso to sub section (1) of section 31 of the said Act, the Government of Maharashtra hereby extends the period of sanction to the said Development Control Regulations of the said Development Plan for a period up to and inclusive of 4th February, 2007.

By order and in the name of the Governor of Maharashtra

Dated 4th February, 2007.

Maharashtra Regional & Town Planning Act 1966.

No. TPS-3001/658/CR-74(B)/2001/UD-30 :- Whereas by Government Notification Urban Development Department No. TPS-3087/22/CR-1/PART-III/UD-12 dated 7-10-1991 issued under clause (b) of sub-section (1) of section 40 of the Maharashtra Regional and Town Planning Act 1966 (Mah Act No. XXXVII of 1966) (hereinafter referred to as "the said Act") the Government of Maharashtra has appointed The City and Industrial Development Corporation of Maharashtra Limited (hereinafter referred to as "the said Corporation") to be the Special Planning Authority to undertake the planned and orderly Development of Notified Area designated as "Waluj Notified Area" (hereinafter referred to as "the said Notified Area") ;

And Whereas the said Corporation being the Special Planning Authority for the said notified area has declared its intention under section 23 of said Act, to prepare a Draft Development Plan (hereinafter referred to as "the said Development Plan") for the said Notified Area and notice of such declaration was published in Government Gazette dated 16th January of 1992;

And whereas the said Corporation in exercise of powers under sub section (8) of section 113 read with sub clause (ii) of clause (a) of sub section (B) of section 40 read with section 26 after carrying out a survey of the lands within its jurisdiction published a notice in Government Gazette dated 16th April 1992 inviting objections and suggestions to the Draft Development Plan for the said Notified Area (hereinafter referred to as "the said Development Plan") ;

And whereas the said Corporation has received suggestions and objections on the proposals of the said Development Plan,

And whereas the said Corporation after following legal formalities stipulated under the said Act, has submitted the said Development Plan along with Development Control Regulations for the said Notified Area on 28th July 1994 to the State Government for sanction under sub section (1) of section 30 the said Act;

And whereas the State Government has extended the period under sub section (1) of section 31 of the said Act for sanctioning the said Development Plan up to and inclusive of 14th August of 2001 vide Notification Urban Development Department No. TPS-3000/4484/CR-235/2000/UD-30 dt. 14th Aug. of 2001;

And whereas in accordance with sub section (1) of section 31 of the said Act the Government of Maharashtra has sanctioned part of the Draft Development Plan of Waluj Notified Area excluding certain part shown bounded Pink on the plan and excluding sanction to the Development Control Regulations vide Urban Development Departments Notification No. TPS 3000/4484/CR-235(A)/2000/UD 30 dated the 14th August of 2001 published in Maharashtra Government Gazette Aurangabad Division supplement dated the 13th September 2001 at page Nos. 2056 to 2061,

And whereas, the Government of Maharashtra, Urban Development Department's Notice No. TPS 3000/4484/CR-235(A)/2000/UD 30 dated the 14th August of 2001 published in Maharashtra Government Gazette Aurangabad Division supplement dated the 13th September 2001 at page Nos. 2056 to 2061 sanctioned the Draft Development Plan for the said Notified Area, excluding the said excluded part of the Draft Development Plan and excluding the Development Control Regulations ;

And whereas in accordance with sub section (2) of section 31 of the said Act, Government appointed the Deputy Director of Town Planning, Regional Plan Aurangabad as an Officer to hear person or persons who submit objections and suggestions in respect of the proposed modifications and to submit his report to Government (hereinafter referred to as the "said Officer") vide Urban Development Department Notification No. TPS 3000/4484/CR-235(B)/2000/UD 30 dated the 14th August of 2001 appeared in the Maharashtra Government Gazette Aurangabad Division supplement dated the 13th September of 2001 at page Nos. 2056 to 2061.

And whereas the said officer after considering the suggestions and objections received from the public submitted his report to Government on the 21st November 2001,

And whereas in accordance with sub section (1) of section 31 of the said Act, the State Government sanctioned the said Excluded Part of the Development Plan of Waluj Notified Area, pending sanction to the Development Control Regulations vide Urban Development Department No. TPS 3001/1498/CR-258(A)/2001/UD 30 dated the 23rd July of 2002 ;

And whereas, in exercise of the powers conferred under the first proviso to sub section (1) of section 31 of the said Act the Government of Maharashtra vide Urban Development Department's Notification No. TPS-3001/658/CR-74(A)/2001/UD-30, dated 4th February, 2007 has extended the period for sanctioning the Draft Development Control Regulations of Waluj for a period upto and inclusive of 4th February, 2007 ;

And whereas in accordance with sub section (1) of section 31 of the said Act, State Government, after considering the report of the said officer and after consulting the Director of Town Planning Maharashtra State, Pune, finds it expedient to sanction the part of said Development Control Regulations of the said Notified Area, subject to the modifications as specified in schedule appended here to part - I which shall be the final Development Control Regulations.

Now therefore in exercise of the powers conferred by sub section (1) of section 31 of the said Act and of all other powers enabling it in that behalf the Government of Maharashtra hereby -

- a) Sanctions the Development Control Regulations of Draft Development Plan of the said Waluj Notified Area excluding the Excluded Parts as mentioned in the Schedule of Modification of Substantial Nature (Part-I) appended to the Notice No. TPS-3001/658/CR-74(C)/2001/UD-30, dated 4th February, 2007.
- b) fixes the date 15th March, 2007 to be the date on which the Development Control Regulations of Development Plan of the said Waluj Notified Area excluding the Excluded Parts as mentioned in the Schedule of Modification of Substantial Nature (Part-I) appended to Notice No. TPS-3001/658/CR-74(C)/2001/UD-30, dated 4th February, 2007 shall come into force.

Note :- The aforesaid Development Control Regulations of Development Plan of the said Waluj Notified Area excluding the Excluded Parts as mentioned in the Schedule of Modification of Substantial Nature (Part-I) appended to Notice No. TPS-3001/656/CR-74(C)/2001/UD-30. dated 4th February, 2007. sanctioned by the State Government shall be kept open for inspection by the public during working hours on all working days for a period of one year in the office of the Chief Administrator (New Towns) CIDCO Aurangabad.

Dated 4th February, 2007

Maharashtra Regional & Town Planning Act 1966.

No. TPS-3001/658/CR-74(C)/2001/UD-30 :-Whereas by Government Notification Urban Development Department No. TPS-3087/22/CR-1/PART-II/UD-12 dated 7-10-1991 issued under clause (b) of sub-section (1) of section 40 of the Maharashtra Regional and Town Planning Act 1966 (Mah Act No. XXXVII of 1966) (hereinafter referred to as "the said Act") the Government of Maharashtra has appointed The City and Industrial Development Corporation of Maharashtra Limited (hereinafter referred to as "the said Corporation") to be the Special Planning Authority to undertake the planned and orderly Development of Notified Area designated as "Waluj Notified Area" (hereinafter referred to as "the said Notified Area") ;

And Whereas the said Corporation being the Special Planning Authority for the said notified area has declared its intention under section 23 of said Act, to prepare a Draft Development Plan (hereinafter referred to as "the said Development Plan") for the said Notified Area and notice of such declaration was published in Government Gazette dated 16th January of 1992;

And whereas the said Corporation in exercise of powers under sub section (8) of section 113 read with sub clause (ii) of clause (a) of sub section (B) of section 40 read with section 26 after carrying out a survey of the lands within its jurisdiction published a notice in Government Gazette dated 16th April 1992 inviting objections and suggestions to the Draft Development Plan for the said Notified Area (hereinafter referred to as "the said Development Plan") ;

And whereas the said Corporation has received suggestions and objections on the proposals of the said Development Plan;

And whereas the said Corporation after following legal formalities stipulated under the said Act, has submitted the said Development Plan along with Development Control Regulations for the said Notified Area on 28th July 1994 to the State Government for sanction under sub section (1) of section 30 the said Act.;

And whereas the State Government has extended the period under sub section (1) of section 31 of the said Act for sanctioning the said Development Plan up to and inclusive of 14th August of 2001 vide Notification Urban Development Department No. TPS-3000/4484/CR-235/2000/UD-30 dt.14th Aug. of 2001;

And whereas in accordance with sub section (1) of section 31 of the said Act the Government of Maharashtra has sanctioned part of the Draft Development Plan of Waluj Notified Area excluding certain part shown bounded Pink on the plan and excluding sanction to the Development Control Regulations (hereinafter referred to as "the said DCRs") vide Urban Development Department's Notification No. TPS 3000/4484/CR-235(A)/2000/UD 30 dated 14th August of 2001 published in Maharashtra Government Gazette Aurangabad Division supplement dated 13th September 2001 at page Nos. 2056 to 2061.

And whereas, the Government of Maharashtra Urban Development Department's Notice No. TPS 3000/4484/CR-235(A)/2000/UD 30 dated 14th August of 2001 published in Maharashtra Government Gazette Aurangabad Division supplement dated 13th September 2001 at page Nos. 2056 to 2061 sanctioned the Draft Development Plan for the said Notified Area, excluding the said excluded part of the Draft Development Plan and excluding the said DCRs ;

And whereas in accordance with sub section (2) of section 31 of the said Act, Government appointed the Deputy Director of Town Planning, Regional Plan Aurangabad as an Officer to hear person or persons who submit objections and suggestions in respect of the proposed modifications and to submit his report to Government (hereinafter referred to as the "said Officer ") vide Urban Development Department Notification No. TPS 3000/4484/CR-235(B)/2000/UD 30 dated 14th August of 2001 appeared in the Maharashtra Government Gazette Aurangabad Division supplement dated 13th September of 2001 at page Nos. 2056 to 2061,

And whereas the said officer after considering the suggestions and objections received from the public submitted his report to Government on the 21st November 2001,

And whereas in accordance with sub section (1) of section 31 of the said Act, the State Government sanctioned the said Excluded Part of the Development Plan of Waluj Notified Area, pending sanction to the said DCRs vide Urban Development Department No. TPS 3001/1498/CR-258(A)/2001/UD 30 dated 23rd July of 2002 ;

And whereas, in exercise of the powers conferred under the first proviso to sub section (1) of section 31 of the said Act the Government of Maharashtra vide Urban Development Department's Notification No. TPS-3001/658/CR-74(A)/2001/UD-30, dated 4th February, 2007 has extended the period for sanctioning the said DCRs of Waluj for a period upto and inclusive of 4th February, 2007 ;

And whereas in accordance with sub section (1) of section 31 of the said Act, State Government, after considering the report of the said officer and after consulting the Director of Town Planning Maharashtra State, Pune, finds it expedient to sanction the part of said DCRs of the said Notified Area excluding some provisions as mentioned in the Schedule of Modification of Substantial Nature (Part-I) appended to the Notice No. TPS-3001/658/CR-74(C)/2001/UD-30, dated 4th February, 2007 (hereinafter referred to as "the said Excluded Parts") ;

And whereas these modifications being of a substantial nature are required to be republished u/s 31 of the said Act ;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 31 of the said Act, Government of Maharashtra hereby gives notice for inviting suggestions and or objections from person in respect of the proposed modification as given in Schedule of Modification of Substantial Nature (Part-I) appended to this Notice within a period of 60 days from the date of publication of this Notice in the Official Gazette. And further in exercise of powers conferred by sub section (2) of section 31 of the said Act hereby appoints the Deputy Director of Town Planning, Aurangabad Division, Aurangabad to be an officer to hear any person or persons in respect of such suggestions and or objections in the prescribed manner and to submit his report to the State Government. This Notice is kept in the office of the Chief Administrator (New Towns), CIDCO Ltd., Udyog Bhawan, CIDCO, New Aurangabad for inspection of public within office hours on working days.

Any objections or suggestions may be sent in writing to the Deputy Director of Town Planning, Aurangabad Division, Aurangabad

31.4) Also the scope of the set of bye-laws shall extend to such reserved flats to promote non handicapping built environment.

31.5) (a) Access path/walk way : Access path from plot entry and surface parking to building entrance shall be minimum of 1900 mm while having even surface without any slope. slope if any, shall not have gradient greater than 5% Selection of floor material shall be made suitably to attract or to guide visually impaired persons (Annexure attached) Finishes shall have a no-slip surface with a texture traversable by a wheel chair. Curls wherever provided shall blend to a common level

(b) Parking :- For parking of vehicles of handicapped people, the following provisions shall be made :-

i) Surface parking for two car spaces shall be provided near entrance for the physically handicapped persons with maximum travel distance of 30.0 meter from building entrance.

ii) The width of parking bay shall be minimum 3.6 meter

iii) The information stating that the space is reserved for wheel chair users shall be conspicuously displayed.

iv) Guiding floor materials or on audible signal device or other devices which serves the same purpose shall be provided to guide visually impaired persons

31.6) BUILDING REQUIREMENTS

The specified facilities for the buildings for physically handicapped persons shall be as follows :-

31.6.1.a Approach to plinth level : Every building should have at least one entrance accessible to the handicapped and shall be indicated by proper signage. This entrance shall be approached through a ramp together with the stepped entry.

- b) Ramped Approach : Ramp shall be finished with no slip material to enter the building. Minimum width of ramp shall be 1800 mm. With maximum gradient 1:12 length of ramp shall not exceed 9.0 meter having 800 mm high handrail on both sides extending 300 mm beyond top and bottom of the ramp. Minimum gap from the adjacent wall to the handrail shall be 50 mm.

31.6.2) Stepped Approach : For stepped approach, size of tread shall not be less than 300 mm and maximum riser shall be 150 mm. Provision of 800 mm high handrail on both sides of the stepped approach similar to the ramped approach.

31.6.3) Exit/Entrance Door : Minimum & clear opening of the entrance door shall be 900 mm and if shall not be provided with a step that obstructed the passage of a wheelchair user. Threshold shall not be raised more than 12 mm.

31.6.4) Entrance Landing : Entrance landing shall be provided adjacent to ramp with the minimum dimension 1800 mm x 2000 mm. The entrance landing that adjoin the top end of a slope shall be provided with floor materials to attract the attention of visually impaired persons. Finishes shall have a no slip surface with a texture traversable by a wheelchair. Curbs wherever provided should be end to a common level.

31.7) Corridor connecting the entrance/exit for the handicapped : The corridor connecting the outdoors to a place where information concerning the overall use of the specified building can be provided to visually impaired persons either by a person or by signs, shall be provided as follows :

- a) "Guiding floor materials" shall be provided or devices that emit sound to guide visually impaired persons.
b) The minimum width shall be 1500 mm.
c) In case there is a difference of level slope ways shall be provided with a slope of 1:12.

31.8) Stair-ways : One of the stair-way near the entrance/exit for the handicapped shall have the following provisions :-

- a) The minimum width shall be 1350 mm.
b) Height of the riser shall not be more than 150 mm and width of the tread 300 mm. The steps shall not have abrupt (square) nosing.
c) Maximum number of risers on a flight shall be limited to 12.
d) Handrails shall be provided on both sides and shall extend 300 mm on the top and bottom of each flight or steps.

31.9) Lifts : Wherever lift is required as per bye-law provisions or at least one lift shall be made for the wheel chair user with the following cage dimensions

Clear internal depth	1400 mm
Clear internal width	2000 mm
Entrance door width	900 mm

- a) A handrail not less than 600 mm long at 1000 mm above floor level shall be fixed adjacent to the control panel. Also switch control shall be at an operating height equal to that of handrails.
b) The lift lobby shall be of an inside measurement of 1800 mm x 1800 mm or more.
c) The time of an automatically closing door should be minimum 5 seconds and the closing speed should not exceed 0.25 Meter/Sec.

- d) The interior of the cage shall be provided with a device that audibly indicates the floor the cage has reached and indicates that the door of the cage for entrance/exit is either open or closed.
- e) The lift meant for paraplegics/Handicapped shall be available on each floor with proper signage.

31.10) Toilets : One special W.C. in a set of toilet shall be provided for the use of handicapped with essential provision of wash basin near the entrance for the handicapped.

- a) The minimum size shall be 1500 mm x 1750 mm
- b) Minimum clear opening of the door shall be 900 mm and the door shall swing out.
- c) Suitable arrangement of vertical/horizontal handrails with 50 mm clearance from wall shall be made in the toilet.
- d) The W.C. seat shall be 500 mm from the floor.

31.11) One of the wash basin in the toilet block on each floor shall be fixed at height of 75 mm above the finished floor level with a tap. As similar arrangement has to be made for the drinking water facilities.

Annexure

Explanatory Note

GUIDING/WARNING FLOOR MATERIAL :

The floor material to guide or warn the visually impaired person with a change of colour or material with conspicuously different texture and easily distinguishable from the rest of the surrounding floor materials is called guiding or warning floor material. The material with different texture gives audible signals with sensory warning when a person moves on this surface with walking stick. The guiding/warning floor material is meant to give the directional effect or warn a person at critical places. This floor material shall be provided in the following areas :-

- a) The access path to the building and the parking area.
- b) The landing lobby towards the information board, reception, lifts, stair cases & toilets.
- c) Immediately at the beginning/end of walkway where there is a vehicular traffic.
- d) At the location abruptly changing in level or beginning/end of ramp.
- e) Immediately in front of an entrance/exit and the landing.

PROPER SIGNAGE:

Appropriate identification of specific facilities within a building for the handicapped persons should be done with proper signals. Visually impaired persons make use of other senses such as hearing and touch to compensate for the lack of vision Whereas visual signals benefit those with hearing disabilities.

Signs should be designed and located so that they are easily legible by using suitable letter size (not less than 20 mm high). For visually impaired person, information board in Braille should be installed on the wall at a suitable height and it should be possible to approach them closely. To ensure safe walking there should not be any protruding signs which creates obstruction in walking. Public Address system may also be provided in busy public areas.

- b) In case of hot water requirement, the building shall also have open space on the rooftop, which receives direct sunlight. Wherever hot water requirement is continuous auxiliary heating arrangement either with electric elements or oil of adequate capacity can be provided.
- c) The load bearing capacity of the roof should at least be 50 kg. Per Sq.m. All new buildings of above said categories must complete installation of solar water heating systems before obtaining necessary permissions to commence their activities.
- d) The capacity of solar water heating system to be installed on the building different categories shall be decided in consultation with the Planning / Local Authority concerned. The recommended minimum capacity shall not be less than 25 litres per day for each bathroom and kitchen subject to the condition that maximum of 50% of the total roof area is provided with the system.
- e) Installation of SAWHS shall conform to BIS (Bureau of Indian Standards) specifications IS12933. The solar connectors used in the system shall have the BIS certification mark.
- f) Building permissions for all the new construction / buildings of the aforesaid categories shall be granted only if they have been complied with these provisions.

32.4 In case of existing building, the above provisions shall be mandatory at the time of change of use / expansion of use to any of the categories specified in 32.2 above, provided there is already system or installation for supply hot water

32.5 Solar Assisted electric Equipment (Photo voltaic equipment)

In addition to the above provisions, buildings of all categories, especially public buildings, large holdings of commercial and residential complexes may provide an auxiliary system of solar electricity for staircase lighting, garden area lighting or any other places wherever feasible within the premises. The installations shall conform to the specifications to be certified by the registered practitioner in this field or the norms stipulated by the govt. of Maharashtra or any other authority designated for this purpose such as BIS, ISI etc., from time to time.

REGULATION NO.33

PROVISIONS FOR RAIN WATER HARVESTING STRUCTURES -

33.1 The following Provisions shall be applicable for installation of Rain Water Harvesting Structures (RVHS)

- a) All the layout open spaces/amenity spaces of housing societies and new constructions/reconstruction/additions on plots having area not less than 100 sq.mt. in non gaurian areas of all towns shall have one or more Rain Water Harvesting structures having a minimum total capacity as detailed in Sub Regulation 2 of Reg 33 given here below.

Provided that the Authority may approve the Rain Water Harvesting structures of specifications different from those specified here below subject to the minimum capacity of Rain Water Harvesting being ensured in each case.

- b) The owner/society of every building mentioned in the (a) above shall ensure that the Rain Water Harvesting structure is maintained in good condition for storage of water for non potable purposes or recharge of groundwater, at all times.
- c) The Authority may impose a levy of not exceeding Rs.1000/- per annum for every 100 sq.mt. of built-up area for the failure of the owner of any building mentioned in the (a) above to provide or to mention Rain Water Harvesting structures as required under these bye-laws.

2. **33.2.2)** The terrace shall be connected to the open well/bore well/storage tank/ recharge pit/trench by means of HDPE/PVC pipes through filter media. A valve system shall be provided to enable the first washings from roof or terrace catchment, as they would contained undesirable dirt. The mouths of all pipes and opening shall be covered with mosquito (insect) proof wire net. For the efficient discharge of rain water, there shall be atleast two rain water pipes of 100 mm dia. for a roof area of 100 sq.mt.
3. **33.2.3)** Rain Water Harvesting structures shall be cited as not to endanger the stability of building or earthwork. The structure shall be designed such that no dampness is caused in any part of the walls or foundation of the building or those of an adjacent building.
4. **33.2.4)** The water so collected/recharged shall as far as possible be used for non drinking and non-cooking purpose.

Provided that when the rain water in exceptional circumstances will be utilised for drinking and/or cooking purpose, it shall be ensured that proper filter arrangement and the separate outlet for by-passing the first rain water has been provided.

Provided further that it will be ensured that for such use, proper disinfectants and the water purification arrangements have been made.

ANNEXURE-II

16.1 One parking area for different modes and number of car spaces to be provided for various land uses shall be governed by the following table :-

TABLE-6

Sr. No.	Type of Mode	Size of Parking Bay.
1	2	3
1.	Car	2.5.mt.-5.0 mt.
2.	Scooter	2.5.mt.-1.2 mt.
3.	Bicycle	2.0 mt.-0.7 mt.
4.	Truck	3.75 mt.-10.0 mt.

Sr. No	Land use	Car Spaces
1)	Residential	(a) One space for every one tenement of built up area more than 60 sq.mt. (b) One Space for every two tenements of built up area more than 45 sq.mt. upto 60 sq.mt. (c) One space for every four tenements of built up area upto 45 sq.mt.
2)	(i) Star Hotels... (ii) Hotels... (iii) Lodging...	(i) One space for every 60 sq.mt. of total floor area. (ii) One space for every 75 sq.mt. of floor area. (iii) One space for every 100 sq.mt. of floor area

33.2) Rain Water Harvesting in a building site includes storage or recharging in to ground of rain water falling on the terrace or any paved or unpaved surface within the building site.

33.2.1) The following systems may be adopted for harvesting the rain water drawn from terrace and the paved surface.

- (i) Open well of a minimum of 1.00 mt. dia and 6.00 mt. in depth into which rain water may be channeled and allowed after filtration for removing silt and floating material. The well shall be provided with ventilating covers. The water from the open well may be used for non-potable domestic purposes such as washing, flushing and for watering the garden etc.
- (ii) Rain Water Harvesting for recharge of groundwater may be done through a bore-well around which a pit of 1.00 mt. width may be excavated upto a depth of atleast 3.00 mt. and refilled with stone aggregate and sand. The filtered rain water may be channeled to the refilled pit for recharging the bore well.
- (iii) An impervious surface/underground storage tank of required capacity may be constructed in the setback or other open space and the rain water may be channeled to the storage tank. The storage tank shall always be provided with ventilating covers and shall have draw-off taps suitably placed so that rain water may be drawn off for domestic, washing, gardening and such other purposes. The storage tank shall be provided within an overflow.
- (iv) The surplus rain water after storage may be recharged in to ground through percolation pits or trenches or combination of pits and trenches.

Depending on the geomorphological and topographical condition, the pits may be of the size of 1.20 mt. width X 1.20 mt. length X 2.00 mt. to 2.50 mt. depth. The trenches of or 0.60 mt. width X 2.00 mt. to 6.00 mt. length X 1.50 to 2.00 mt. depth. Terrace water shall be channeled to pits or trenches. Such pits or trenches shall be back filled with filter media comprising the following materials :-

- a) 40 mm stone aggregate as bottom layer upto 50% of the depth.
- b) 20 mm stone aggregate as lower middle layer upto 20% of the depth.
- c) Coarse sand as upper middle layer upto 20% of the depth.
- d) A thin layer of fine sand as top layer.
- e) Top 10% of the pits/trenches will be empty and a splash is to be provided in this portion in such a way that roof top water falls on the splash pad.
- f) Brick masonry wall is to be constructed on the exposed surface of pits/trenches and the cement mortar plastered.

The depth of wall below ground shall be such that the wall prevents loose soil entering into pits/trenches. The projection of the wall above ground shall atleast be 15 cms.

g) Perforated concrete slabs shall be provided on the pits/trenches.

- (v) If the open space surrounding the building is not paved, the top layer upto a sufficient depth shall be removed and refilled with coarse sand to allow percolation of rain water into ground.
- (vi) In case of the plots where the water table is high i.e. 10 feet less, it is not mandatory to follow the above provisions

	(iv) Restaurants	(iv) One space for every 50sq.mt. of floor area.
3)	Educational ...	One space for 100 sq.mt. of floor area or part thereof.
4)	Institutional ...	One space for every 250 sq.mt. of floor area or part thereof.
5)	Office (Govt. and private) ...	One space for every 70 sq.mt. of floor area upto 1500 sq.mt. and one space for every 150 sq.mt. or part thereof for areas exceeding 1500 sq.mt.
6)	Assembly ...	One space for every 60 sq.mt. of floor area or part thereof.
7)	Business	One space or every 100 sq.mt. of floor area or part thereof.
8)	Mercantile	One space or every 80 sq.mt. of floor area upto 800 sq.mt. and one for 160 sq.mt. and thereafter.
9)	Industrial	One space or every 200 sq.mt. of floor area or part thereof subject to minimum of two spaces.
10)	Storage	One space or every 200 sq.mt. of floor area or part thereof subject to minimum of two spaces.
11)	Hospitals	One space or every 150 sq.mt. of total floor area.
12)	Cinemas and Theatres	One space or every 20 seats.
13)	Shopping	One space or every 80 sq.mt. of total floor area or part thereof.
14)	Stadium	One space or every 150 seats plus additional as per the rules for restaurants etc.

16.2 In addition to the above 10 percent of total parking spaces shall be provided for visitors parking and 10 percent for two wheelers parking.

16.3 Car parking spaces shall be clearly shown on the site plan along with the maneuvering space to the satisfaction of the Corporation.

16.4 The above standards for parking and loading, unloading may be modified in Special Development Control Regulation for action area with due consideration of the common parking facilities provided in the lay-out of the action area.

16.5 In case of residential land use 25 percent of the open space around the building may be used for parking. In case of other land uses 50 percent of the open space around the building may be used for parking and loading, unloading provided that a minimum distance of 3.0 mt. around the building shall be kept free from any parking and loading, unloading spaces.

16.6 In addition to the above table loading and unloading spaces shall be provided for mercantile Industrial and storage land uses as one space for every 100 sq.mt. of floor area or part thereof upto 300 sq.mt. and one for every 500 sq.mt. or part thereof thereafter. The loading space shall be 3.75 mt. X 10.0 mt.
